Subject Index
Volume 24

A

Acquired immunodeficiency syndrome. *See also* Human immunodeficiency virus
  home-care needs for, 165
  risk of in nurses, 533
  self-transcendence in women with, 314
Adolescent parenting, outcomes and, 713
Adult-Adolescent Parenting Inventory, of fathers' parenting attitude, 508
Advertising, of bottle-feeding products, 593
African American women, fertility management in, 459
AIDS. *See* Acquired immunodeficiency syndrome
Alaskan Eskimos, mother-child interaction among, 450
Antimicrobial agents, for neonatal sepsis, 647
Antiviral drugs, for neonate, 659
Apnea monitoring, home, 84
Appeal, writing of, 591
Assessment tool, maternal concerns questionnaire as, 149
At-risk infant, follow-up of in home setting, 51

B

Baby Michael case, 125
Bacterial infection, in neonate, 635
Battered pregnant women, home care for, 836
Bereavement, parents and baby's rights in, 206
Book reviews
  Analysis and Evaluation of Conceptual Models of Nursing (Fawcett), 276
  Birth Days: A Nurse Midwife's Account (Wirvin), 187
  The Briles Report on Women in Healthcare (Briles), 475
  The Encyclopedia of Childbearing (Rothman), 370
  Foundations of Maternal Newborn Nursing (Gorrie, McKinney, Murray), 187
  Human Reproduction: Growth and Development (Coustan, Haning, Singer), 567
  Lesbian Health: What Are the Issues? (Stern), 276
  Life Before Birth and a Time to Be Born (Nathanielsz), 370
  Literary Anatomies: Women's Bodies and Health in Literature (Wear, Nixon), 567
  Living with Lupus (Blau), 90
  New Dimensions in Women's Health (Alexander), 187
  Psychological Aspects of Women's Health Care (Stewart, Stotland), 475
  Recommendations for Collection, Storage, and Handling of a Mother's Milk for Her Own Infant in the Hospital Setting (Arnold), 91
  Study Guide and Review of Neonatal Nursing (Kenner, Guderson, Lott, Amlung), 90
  When the Bough Breaks: Pregnancy and the Legacy of Addiction (Corser, Adler), 90
  You and Your Newborn Baby: A Guide to the First Months After Birth (Todd), 370
Bottle feeding
  advertising products for, 593
  as cultural norm, 464
Breast implant, problems of, 609
Breast milk, immunologic significance of, 678
Breastfeeding, 13
  commercial information sources on, 295
  HIV infection and, 525
  immunologic protective factors of, 678
  mothers' concerns about, 23
  in nonbreastfeeding culture, 464

C

Canadian health care system, postpartum home care in, 173
Cancer patient, home care for, 157
Caregiver-child interactions. *See also* Mother-child interactions; Mother-infant interactions
  in different cultures, 353
Catheter, pathogenesis of sepsis with, 725
Central venous catheter, pathogenesis of sepsis with, 725
Cesarean section, pain and sedation assessments after, 137
Chemical dependency, risk of infection with, 776
Childbearing women
  concerns of, 149
  Taiwanese *vs.* African American, 459
Childbirth
  cultural meanings of, 327
  in Japanese context, 343
Childhood disease, immunization and prevention of, 669
Chlamydia trachomatis infection, pelvic, 759
Chronic fatigue syndrome, sleep disturbance and fatigue with, 229
Clinical nursing, meta-analysis in, 131
Comfort measures, for pain in preterm infant, 143, 849, 856
Communication, intercultural, 249
Community-based nursing
  for families with special needs, 64
  for low-birth-weight infants, 56
Consultation model, for at-risk infant, 51
Creating Paths, 619
Crisis intervention, ethical concerns in, 125
Critical-care nursing
  managing mitral stenosis in, 406
  for neonatal pneumothorax, 211
Cross-cultural communication, 249
Cross-cultural health beliefs, 241
  caregiver-child interactions and, 353
Cultural adaptation theory, 343
Cultural appropriateness, 249
Cultural beliefs
  about mothering behaviors, 363
  on breastfeeding, 464
  caregiver-child interactions and, 353
  on fertility management, 459
Cultural concepts
  of Alaskan Eskimos, 450
  on childbirth, 327
  communication and, 249
  spirituality and women's health and, 257
  of women's health and health-promoting behaviors, 241
Cultural diversity. *See* Ethnic diversity
Cultural sensitivity, for Southeast Asians, 335

D

Death, rights of baby and parents in, 206
Decision making, ethical concerns in, 125
Delivery, maternal learning needs during, 235
Depression, postpartum. *See* Postpartum depression
Developmental problems, of preterm infants, 43
Diagnostic testing, advances in, 525
Discharge planning, for technology-dependent infant, 77
Discomfort
  issues of assessment in neonates, 849
  in preterm infant, 856
Diurnal cycling, standardized rest periods and, 424
Diversity. *See* Ethnic diversity
Drug abuse, risk of infection with, 776

E

Ectopic pregnancy, risk among minority women, 803
Editorials, 11, 115, 205, 293, 387, 491, 591, 699, 795
Education. *See* Nursing education
Elderly women, genitourinary infection in, 769
Employability, retooling for, 115
Ethics
  in NICUs, 296
  of parents and nurses in NICU, 125
Ethnic diversity
  cultural sensitivity and, 335
  intercultural communication with, 249
  women's health and, 241

F

Facilitated tucking, effectiveness of, 143
Family
  building partnerships with, 298
  in Korea and the U.S., 363
  with special needs, 64
Family-centered care, for families with special needs, 64
Farm worker, migrant and seasonal, 265
Father, parenting attitudes of during first year, 508

Fatigue, with fibromyalgia and chronic fatigue syndrome, 229
Feeding tubes, indwelling *vs.* intermittent, in premature neonates, 321
Feminist culture, women's health and spirituality in, 257
Fertility management, in Taiwanese and African American women, 459
Fibromyalgia, sleep disturbance and fatigue with, 229
First year, father's parenting attitude during, 508
Follow-up care, in hospital-based clinic, 17
Fungal infection, in neonate, 635

G

Gastrointestinal disorders, home parenteral nutrition program for infants with, 72
Genetics, advances in, 13
Genitourinary infection
  common, 735
  in older women, 769
Gynecologic cancer patient, home care for, 157

H

Health beliefs
  cross-cultural, 241
  spirituality and, 257
Health care
  changes in delivery of, 389
  homelessness and, 387
  impact of advances in microbiology and immunology on, 525
  language used in, 393
Health care providers
  perinatal continuing education program effects on, 829
  at risk, 533
Health problems, of preterm infants, 43
Health care needs, of migrant and seasonal farm worker women, 265
Health care reform
  mixed messages of, 699
  perinatal nurse practitioner and, 597
  postpartum home care and, 173, 390
  postpartum home care in U.S. and, 180
Health-promoting behavior, cultural concepts of, 241
Hemorrhage, subgaleal in neonate, 397
High-risk infants. *See also* At-risk infant; Preterm infant
  problems of after discharge, 43
HIV. *See* Human immunodeficiency virus
Holistic care, for sexually transmitted disease, 743
Home care
  of battered pregnant women, 836
  for families with special needs, 64
  follow-up, 701
  follow-up of at-risk infant in, 51
  of gynecologic cancer patient, 157
  health care reform and, 390
  infant apnea monitoring in, 84
  for low-birth-weight infants, 56
  parenteral nutrition program in, 72
  postpartum, Canadian perspective on, 173
  for technology-dependent infant, 77
  in United States, 180
  for women with HIV, 165
Homelessness, health and, 387
Hospital environment, breastfeeding in, 464
Hospital staff, perinatal education of, 707
Hospital stay, shortened, 56, 180, 390
Hospital-based clinic, follow-up care in, 17
Human immunodeficiency virus
  breastfeeding and, 525
  home-care needs in, 165
  risk of in nurses, 533
  risk status for and preventive behaviors, 33
Human parvovirus B19, in pregnancy, 495
Hypovolemic shock, recognition and management of, 397
Hysteroscopy, nurse's role in, 813

I

Immune system, neonatal, 627
Immunization, for childhood disease, 669
Immunodeficiency, in childhood disease, 669
Immunology
  breast milk and, 678
  impact of advances in, 525
Immunosuppressants, use in transplant recipients, 413
Immunotherapy, for neonatal sepsis, 647
Incubator care
  versus kangaroo care, 219
  kangaroo *vs.* traditional methods of removing from, 501
Indwelling feeding tubes, in premature neonates, 321
Infant. *See also* At-risk infant; Neonate; Preterm infant
  at-risk, 51
  home apnea monitoring for, 84
  home parenteral nutrition program for, 72
  low-birth-weight, 56
  parenteral nutrition for hospitalized, 441
  rights of when baby dies, 206
  technology-dependent, 77
  very-low-birth-weight, 619
Infant formula, advertising of, 593
Infection
  bacterial and fungal in neonate, 635
  breast milk in protection against, 678
  with central venous catheter, 725
  genitourinary, 735, 769
  pharmacologic treatment of in neonate, 647
  postpartum, 542
  during pregnancy, 550
  viral neonatal, 659
  women at risk for, 776
Infectious disease. *See also* Infection; *specific conditions*
  bacterial and fungal in neonate, 635
  breast milk in protection against, 678
  microbiology and immunology advances and, 525
  neonatal immune system and, 627
  nurses at risk for, 533
  pelvic, 759
  perinatal, 562
  pharmacologic treatment of in neonate, 647
  during postpartum period, 542
  sexually transmitted, 743
  viral neonatal, 659
Infertility, long-term psychosocial effects of, 517
Informed consent, ethical perceptions of, 125
Intermittent feeding tubes, in premature neonates, 321
Intravenous therapy, in hospitalized infants, 441

J

Japanese culture
  birth in context of, 343
  caregiver-child interactions in, 353
Juice, to facilitate nonstress test, 303

K

Kangaroo care
  versus incubator care, 219
  in removing preterm infants from incubators, 501
Korea, mothering behaviors in, 363

L

Labor, maternal learning needs during, 235
Language, in women's health care, 393
LATCH grids, 13
Learning needs, during labor and delivery, 235
Letters, 13, 117, 295, 389, 593, 701
Liquid ventilation, developments in, 119
Literature review, meta-analysis of, 131
Low-birth-weight infants, shortened hospital stays for, 56

M

Maternal concerns questionnaire, as assessment tool, 149
Maternal perceptions
  in adolescent parent, 713
  of nurses' care during postpartum depression, 819
Medical language, 393
Mental health, in women with AIDS, 314
Meta-analysis, in clinical nursing practice, 131
Microbiology, impact of advances in, 525
Migrant workers, women, 265
Migration, transcultural, 343
Minority women, risk for ectopic pregnancy among, 803
Mitral stenosis, implications for critical care obstetric nursing, 406
Mixed messages, 699
Mother
  concerns about breastfeeding preterm infant, 23
  learning needs of during labor and delivery, 235
  mortality rates among minority women with ectopic pregnancy, 803
Mother-child interactions
  among Alaskan Eskimos, 450
  in different cultures, 353
Mother-infant interactions, postpartum infections and, 542
Mothering behavior
  cross-cultural, 353
  in women from Korea and the U.S., 363

Multidisciplinary continuing education program, effects of on nursing practice and knowledge, 829

N

Neisseria gonorrhea, pelvic, 759
Neonatal intensive care unit, ethical perceptions in, 125, 296
Neonate. *See also* Infant; Preterm infant
  bacterial and fungal infections in, 635
  immune system of, 627
  pain and discomfort assessment in, 849
  pharmacologic treatment of sepsis in, 647
  pneumothorax in, 211
  subgaleal hemorrhage in, 397
  viral infections in, 659
Nonstress test, juice to facilitate, 303
Nurse practitioner
  health care reform and, 597
  as model of advance practice, 602
Nurses
  assessment of pain and sedation after cesarean, 137
  building partnerships with families, 298
  ethical perceptions of, 125
  in office hysteroscopy, 813
  at risk, 533
  in women's health, 205
Nursing Assessment of Newborns and Infants program, 51
Nursing care
  for neonatal viral disease, 659
  perceptions of by mothers experiencing postpartum depression, 819
Nursing education, 593
  perinatal, 707
  perinatal continuing education program in, 829
  for perinatal nurse practitioners, 602
Nursing intervention
  for infection with substance abuse, 776
  for low-birth-weight infants, 56
  for mitral stenosis, 406
  for postpartum infections, 542
  for risk of ectopic pregnancy among minority women, 803
  for toxic shock syndrome, 557
Nursing practice
  based on facts or fantasies and fallacies, 293
  perinatal continuing education program effects on, 829
  perinatal nurse practitioner in, 602
  research-based, 593
Nursing research
  meta-analysis application in, 131
  in nursing practice, 593
  three Rs of, 11, 295
Nurturing relationships, building of, 298
Nutrition. *See* Breastfeeding; Parenteral nutrition

O

Occupational risk, 533
Office hysteroscopy, nurse's role in, 813
Organ transplantation, pregnancy after, 413
Outcome, maternal perceptions of adolescent mothers and, 713

P

Pain
  assessment and measurement of, 843
  facilitated tucking for, 143
  issues of assessment in neonates, 849
  patients' *versus* nurses' assessment of, 137
  in preterm infant, 856
Parenteral nutrition
  home programs of, 72
  for hospitalized infants, 441
Parenting
  adolescent, 713
  father's attitudes toward in first year, 508
Parents
  ethical perceptions of, 125
  living with very-low-birth-weight infants, 619
  rights of when baby dies, 206
Partnerships, family-nurse, 298
Parvovirus, in pregnancy, 495
Patient, assessment of pain and sedation after cesarean, 137
Pelvic inflammatory disease, clinical overview of, 759
Perinatal Bereavement Team, 206
Perinatal care
  for battered women, 836
  culturally sensitive for Southeast Asians, 335
  impact of advances in microbiology and immunology on, 525
Perinatal education, effects of on health professionals' knowledge and practice, 829
Perinatal Education Consortium, North Puget Sound, 707
Perinatal nurse practitioner
  health care reform and, 597
  as model of advance practice, 602
Perinatal Nurse Practitioner Program, 602
Perinatal period, group B streptococcus during, 562
Pharmacologic treatment
  of neonatal sepsis, 647
  for viral disease, 659
Physiologic measures, of incubator care *versus* kangaroo care, 219
Pneumothorax, in neonate, 211
Postpartum care center, 390
  follow-up care in, 17
Postpartum depression
  perception of nurses' care during, 819
  screening methods for, 308
Postpartum Depression Checklist, 308
Postpartum home care
  Canadian perspective on, 173
  health care reform and, 390
  in United States, 180
Postpartum period, infections during, 542
Pregnancy
  after organ transplantation, 413
  battering and, 836
  ectopic, 803
  excessive weight gain in low-risk, 434
  human parvovirus B19 in, 495
  maternal perceptions of adolescent mothers and outcome of, 713
  mitral stenosis in, 406
  sepsis during, 550
  in service industry, 269
  tympanic *vs.* rectal thermometry in, 719
Preterm infant
  facilitated tucking for pain in, 143
  indwelling *vs.* intermittent feeding tubes in, 321
  methods of removing from incubators, 501
  mothers' concerns about breastfeeding after discharge, 23
  pneumothorax in, 211
  problems of after discharge, 43
  special needs of in pain and discomfort management, 856
  standard rest periods for, 424
Prevention
  of childhood disease, 669
  of HIV infection, behaviors for, 33
Primigravida, excessive weight gain in, 434
Psychosocial effects, of infertility, 517
Publication process, 491

R

Rectal thermometry, in pregnant women, 719
Religion, women's health and, 257
Research. *See* Nursing research
Respiratory failure, liquid ventilation for, 119
Rest periods, for preterm infants, 424
Rights, of baby and parents when baby dies, 206
Risk factors, for HIV infection, 33
RU 486, 117, 389

S

Screening
  for group B streptococcus, 562
  methods for postpartum depression, 308
Seasonal farm workers, women, 265
Sedation, after cesarean section, 137
Self-transcendence, in women with AIDS, 314
Sepsis. *See also* Infection; Infectious disease
  in neonate, 635, 647
  pathogenesis of with central venous catheter, 725
  during pregnancy, 550
Service industry jobs, pregnant women in, 269
Sexuality, in Taiwanese *vs.* African American women, 459
Sexually transmitted disease, current and emerging concerns about, 743
Silicone-related illness, with breast implants, 609
Sleep disturbance, with fibromyalgia and chronic fatigue syndrome, 229
Sleep-wake states, standardized rest periods and, 424
Social process, in living with very-low-birth-weight infants, 619
Social supports, infertility and, 517
Southeast Asians, culturally sensitive perinatal care for, 335
Spirituality, women's health and, 257
Staphylococcus aureus infection, toxic shock syndrome and, 557
Streptococcus, group B, during perinatal period, 562

Stress, on pregnant women in service industry, 269
Substance abuse, risk of infection with, 776

T

Taiwan
caregiver-child interactions in, 353
fertility management in, 459
Technology-dependent infant, discharge planning and home care for, 77
Tertiary-level nursery, incubator care *versus* kangaroo care in, 219
Thermometry, tympanic *vs.* rectal, 719
Toxic shock syndrome, nursing intervention for, 557
Transculture migration, 343
Transplantation, pregnancy after, 413
Tympanic thermometry, in pregnant women, 719

U

United States
caregiver-child interactions in, 353
health care reform in, 180
mothering behaviors in, 363
Urinary tract infections, common, 735

V

Vaccines, childhood disease, 669
Vacuum extraction, subgaleal hemorrhage with, 397
Vaginal infections, common, 735
Venous access, advances in, 441
Ventilation, liquid, 119
Very-low-birth-weight infant, living with, 619
Viral infection, neonatal, 659

W

Weight gain, excessive in primigravidas with low-risk pregnancy, 434
Women
with AIDS, self-transcendence in, 314
battered, 836
cultural concepts of health and health-promoting behaviors of, 241
culture, spirituality, and health of, 257
migrant and seasonal farm workers, 265
older, genitourinary infection in, 769
reporting breast implant problems, 609
in service industry jobs, 269
sleep disturbance and fatigue in, 229
Women's health
impact of advances in microbiology and immunology on, 525
language related to, 393
nursing in, 205
Workplace, pregnant women in, 269
